

Disposing of Special Items: Antifreeze

Antifreeze is a very serious pollution concern and cannot be discarded with trash. Texas law bans antifreeze and any other free liquids from all solid waste landfills in Texas.

Recycle it. There are several locations within the city limits of Longview that will take your used antifreeze. Some locations are:

Time it Lube
2457 W. Loop 281
903-753-3324
No Limit

Lube Xpress
105 E. Loop 281
903-663-5473
No Limit
